To turn on, press and hold the on/off button until indicator light blinks green.

To turn off, press and hold the on/off button until pop-up window appears. Follow instructions in this window.

If the screen has gone black, briefly press the on/off button to wake up the screen.

To mute the microphone, press the bottom button with a microphone on it. The indicator light will blink red, indicating the device is muted.

Press the mute button again to unmute the microphone.

*This button only mutes/unmutes. Please see on/off to wake up the screen.

Press the connect button to sync the students receivers to the microphone.

The student’s receiver must be within 4” of the microphone to connect.
