You can create a Reading List in LibGuides that includes a summary of each title and a direct link to that title’s record in your Destiny Discover catalog. (This feature isn’t available in Classic Destiny.) You can add multiple books to any content box and put them in any order you like.

1. Create a new content box
2. Add content: Book from the Catalog
3. Type in the ISBN to pull in the book information. Once the fields have been populated, you can edit them to show whatever you choose. Go to the Discover record for the book and copy/paste the URL from the Share menu into the URL field in LibGuides.
4. The result:
