Wish Lists

If you'd like the library to purchase a particular book, you can add a suggestion to the Wish List. You can also add a note supporting your suggestion.

1. If you searched for and found a title record, click on a Title Details page.

2. On the Add to Wish List page that opens:
   - To recommend this title, leave the option at Current title.
   - To recommend a different title, select New title, and then enter as much information as you have in the Title, Author, and ISBN boxes that appear.

3. If you'd like to add a note, enter it in the large box under We should.... For example, you may want to explain why the book would be useful or indicate the number of copies you need.

4. When you are done, click Save.
