Targus Keypad

The Targus keypad allows students to type in their ID numbers quickly and easily. The full-size keys improve speed and accuracy by making it easier to locate and press the numbers. Wired and wireless models are available with these features:

- Battery indicator light lets users know when batteries are running low so there are no surprises
- USB receiver stores inside of the device when not in use
- Uses 1 AAA battery (wireless model)
- 1 year limited warranty

Please contact the Library Automation Team for current pricing and ordering instructions.
